Dear Mrs. Romanova.

We, Company “**RVT Rühr- und Verfahrenstechnik, Maier & Richter GmbH**”, located at “**Alzstrasse 1, D-84513 Toeging am Inn, Germany**”, are well known as a reliable manufacturer and supplier of “agitators/mixers” for a big range of industrial mixing applications and in successful long term business relationships with famous client’s, especially in Petrochemical, Chemical and Pharmaceutical industry, as well as other branches world wide, since more than 45 years.

To support our clients in the best way, RVT uses also local distributors / agents / resellers to promote and market RVT products all over the world.

Therefore we would look forward to a free business relationship with Your esteemed company and confirm our interest to offer and consequently sell and deliver RVT manufactured products and related bought in parts (i.e. agitators, agitator parts or spare parts) following the terms and conditions as quoted. The goods will be designed acc. manufacturer’s standard and EU/DIN regulations.

Your acting territory: Russia

We would be happy to receive Your high appreciated inquiries.

Many thanks.  
Best regards,
