Dear Ladies a Gentlemen,

SOMAS Instrument AB, a Swedish based company, is focussed on production and supply of industrial valves and actuators.

Our total product range is made in Sweden with certifications according to DIN ISO 9001, ATEX, TR-CE, RTN, GOST-R etc.

Our German office SOMAS GmbH, which only deals with original SOMAS products, is cooperating with the German company EURO MuG, located in Paderborn/Germany. EURO MuG is one of the leading companies in Germany for export to Russia owning its own office in Russia named Univolts-EURO MuG based in St. Petersburg/ Russia. Purchase of SOMAS valves is through EURO MuG in Germany.

We hereby confirm, that Univolts-EURO MuG is one of our official SOMAS-dealers in Russia.

This certificate is not valid for customers of Pulp & Paper industries because of other existing sales channels.
